

Smart RGBW LED Tape Controller⁺

Making your home smarter.

ClickSmart⁺

Get Creative

Choose between 3 modes, White, RGB and Music Mode!

White

Control the brightness of your LED Tape and create the perfect atmosphere for your home.

Colour (RGB)

Choose any colour to suit your mood along with the brightness and saturation.

Music

With the Click Smart+ app open and set to 'Music' the LED tape will change colour with the music.

Dimmable & Saturation

Get the right light setting for any time of day with the Smart LED Tape Controller, which offers saturation of RGBW LED tape and instant wireless dimming for any LED Tape that you have.

Alexa & Hey Google!

Connect Click Smart+ to your existing Google Home devices. Just search for Click Smart+ in the Google Home app.

Have an Alexa smart speaker? Link your Click Smart+ devices in the Alexa app.

Use the new Smart LED Tape Controller and the Click Smart+ App to create a wide range of lighting effects that suits your current mood. Your LED lights will be controlled in a variety of colours to help create the perfect atmosphere.
